## Cotswold Way National Trail 10<sup>th</sup> Anniversary

Surely the Cotswold Way has been around for more than 10 years?

Indeed it was some 60 years ago, just after legislation for National Parks & Countryside Access, that Gloucestershire Ramblers, principally Tony Drake and Cyril Trenfield (both now deceased), suggested a route for the Way.

Gloucestershire County Council eventually launched the route in 1970 along existing rights of way. Mark Richards, another ramble, produced a pictorial guide in 1973.

It wasn't until 24 May 2007 that the Way officially became a National Trail inaugurated at Stanway by the late Sir Martin Doughty, Chairman of Natural England.

(His father Harold was one of the legendary Manchester Ramblers who, in 1932, held a mass trespass to keep open Kinder Scout which, it's said, led to the above Parks & Access legislation)

Stuart Maconie has become the new Ramblers President. A radio presenter and author Stuart is passionate about walking and has ticked off all 214 Lake District Wainwrights.

He joins Vanessa Griffiths our CEO working with Des Garrahan, Chair of the Board of Trustees.

## Cotswolds Conservation Board Cotswold Trail Celebration 24<sup>th</sup> May 2017

Cotswold Way Wardens, Ramblers and others met at an evening event hosted by the Cotswolds Conservation Board at Painswick Rococo Gardens.

Richard Watson of the Conservation Board opened the proceedings followed by Val Kirby also representing the Board who spoke about the history of the Way and challenges for the future. Val is also Chair of the Cotswold Trails & Access Partnership.

It was an honour to have Sheila Trenfield, Cyril's widow, present to cut the celebratory cake!

### Dates for Diary

**Wed 27 Sep 7:30pm**

**Area Groups Council Meeting**

Gloucester Room Premier Inn  
A38 Twigworth GL2 9PG

Advance Notice to be confirmed  
**Sat 13 or 20 Jan 2018 10:00am**  
**Annual General Meeting**  
hosted by Gloucester Group

**28 August Bank Holiday Monday**  
**Come along and find us at the**  
**Winchcombe Country Show.**

## Cotswold Way Walks

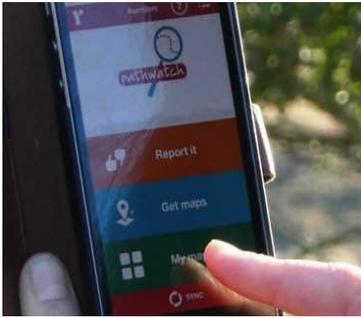

Our Groups are usually out walking a piece of the Cotswold Way somewhere, perhaps as part of a circular walk. Why not check our programmes for walks along parts of the Cotswold Way and let your friends, colleagues or anyone interested in walking know how it all came about! For social media find our Glos Ramblers page on facebook or search for GWG over on Meetup.

The Ramblers' Association is a registered charity (England & Wales no 1093577, Scotland no SC039799) and a company limited by guarantee, registered in England & Wales (no 4458492). Registered office: 2nd floor, Camelford House, 87-90 Albert Embankment, London SE1 7TZ

## Pathwatch in Gloucestershire

Pathwatch gets better all the time. Anyone should be able to use it to report issues good or bad either via their smartphone when out on a walk or back home on their computer. Ramblers Central Office in London collates the data and feeds it back to us and local authorities.

Gloucestershire County Council is currently working with the information from Pathwatch and seems to be finding it useful.

The map to the right is a snapshot of path successes on Ramblers website showing new paths, paths maintained and paths saved.

If you have any issues you believe we should know about please contact Richard Holmes, Area Footpath Secretary for Gloucestershire, [footpaths@gloucestershireramblers.org.uk](mailto:footpaths@gloucestershireramblers.org.uk) or use the GRNews email

## Bradbury Bequest Mystery

Herbert Lucas Bradbury, was a far-sighted Cheltenham benefactor who in 1959 left £1,500 in trust for erecting and maintaining signposts on public paths within a six-mile radius of Cheltenham Post Office

It was administered by the Open Spaces Society, while Gloucestershire Ramblers arranged for signposts to be erected. Many of the signs had a sticker attached as shown.

However the fund kept growing. Eventually in 2013 the remaining

£7,000 was transferred to Gloucestershire County Council ring-fenced for signposting paths around Cheltenham, as Mr Bradbury had wished.

Recently the stickers have been appearing on Footpath posts in a wider area around Cheltenham, even Winchcombe and Bishops Cleeve. If you know how they're appearing or where you've seen one, please email us at GRNews. We're intrigued!

Here Des Garrahan, now Chair, Ramblers Board of Trustees stood next to one of the unusual signs near Gotherington when he came to visit us at our AGM a couple of years ago.

## Winchcombe Walking Festival 19-21 May

We were again present at the 2017 Festival to see hundreds of walkers from across the country converge on Winchcombe.

The sun shone on most of the walks but it's still surprising how a shower just before the evening walk above can clear the skies to give dramatic views across the landscape.

Our stand was full of displays of the efforts of our Groups and teams around the Area.

We had some giveaway pens which all disappeared, as did many of our badges and a number of our Volunteer Welcome booklets.

If you'd like a badge, pen or booklet, let us know and we'll try to get them to you.

Within Ramblers Gloucestershire Area there are seven Groups that lead walks and respond to footpath issues within their territory. The territories are reasonably aligned to Borough/District Council Boundaries:-

**North Cotswold** - the northern half of Cotswold District, generally north of the A40.

**Cirencester** – generally the southern half of Cotswold District except around Tetbury

**South Cotswold** - mainly Stroud District including Tetbury of Cotswold District

**Gloucester** – Gloucester City plus portions of Tewkesbury Borough and Stroud District

**Cleeve** – Cheltenham Town plus northern Tewkesbury Borough

**Forest of Dean** - all Forest of Dean District

**Additionally Gloucestershire Walking Group organises walks across the County for like minded members of working age and also operates a sub-group for 20-30s. There is also a get together Gloucestershire Area mid week walks programme overleaf. Most of our members join a Group but all are automatically a member of Ramblers Gloucestershire Area**

**Cirencester Group** [www.cirencesterramblers.org.uk](http://www.cirencesterramblers.org.uk)

A busy few months for the Cirencester Group as usual. As well as having had many beautiful walks as far afield as Forest of Dean, Oxfordshire and Wiltshire, the group have been busy socially too. The Quiz night on the 31<sup>st</sup> January, held in Ampney Crucis Village Hall, On Friday night 31st March about 60 members and guests danced the night away to the music of The Amazing Matchless Band at Down Ampney Village Hall..

For our away weekend in Sidmouth there were 2 organised walks on the Saturday (6 and 11 miles); and 3 walks on the Sunday (3¾, 6 and 7 miles). The local attractions some explored during the stay included the nearby Donkey Sanctuary and Bicton Botanical Gardens.

On May 7<sup>th</sup> 23 members and guests had a day out at Blenheim in glorious spring sunshine. During the morning the group viewed the Palace and Gardens with a five mile optional walk in the afternoon. The monthly Village Visits, a short walk and a pub lunch, have been popular. We have also recently introduced Mid Week short walks which are proving very popular; as well as the summer evening walks which usually end up at a pub.

Our Path Maintenance Volunteers have continued to be busy on the Wysis Way, and are progressing well.

**Cleeve Group** [www.cleeveramblers.org.uk](http://www.cleeveramblers.org.uk)

Cleeve Ramblers continues to run a full walk programme on Sundays with an optional walk on Wednesdays. Our walks venture across the county and sometimes into neighbouring counties.

We're trying out Prestbury Library for our bi-monthly meetings to try to save some costs and so far so good. One of the decisions was to move the Group AGM to a Saturday morning to see if more members are able to attend. It will be Saturday 25th November at Southam Village Hall. This year a walk of 60 - 90 minutes will be offered before the business session with a bring and share lunch afterwards. A skittles evening earlier in the year was a success all round. In October about 17 of us will be taking part in the annual Autumn walking holiday, this year to Mevagissey.

Our footpath teams continue to respond to footpath issues across our district. We found an errant Bradbury Bequest sticker too >>>>

**Gloucester Group** [www.gloucester-ramblers.org.uk](http://www.gloucester-ramblers.org.uk)

The Group continued walking the entire 135 mile Glyndwr Way long distance path from Knighton to Welshpool to celebrate our illustrious Chairman's special birthday! We based ourselves in Machynlleth in early May for the next part of our walk which was from Dylife to Cem maes Road in Powys, about 25 miles in total. We had excellent weather with lovely views and are planning to complete the remainder of the walk early in July.

Additionally the Group has provided an insert for the Glevum Way (Gloucester Circular Path) leaflet to reflect changes to the footpaths since the leaflet was first printed.

## A page of Mid Week walks for the Gloucestershire Area

Gloucestershire Area organises a programme of day walks approx of 10-12 miles long, usually mid-week, in the county & neighbouring counties. Why not give us a try (please contact leader beforehand). Once a member, all our walks are free! (Sorry Access dogs only but see walks at [www.fodramblers.org.uk](http://www.fodramblers.org.uk)) Feedback [GRNews@gloucestershireramblers.org.uk](mailto:GRNews@gloucestershireramblers.org.uk)

Wed 5 July 10 miles/16.1 km - Moderate **Forest Green**  
10:00: Forest Green Rovers far end CP (E168). (GL6 0ET, SO837001)
